

Microsoft 365 Assessment

In just **2 weeks** you will gain insights and an understanding of your Microsoft 365 tenant security posture, vulnerabilities, risks, and opportunities for optimisation.

With thousands of security configuration settings in Microsoft 365, it can be difficult knowing where to start when you need to assess your security. Our Microsoft 365 Assessment delivers a comprehensive report pinpointing areas that

Our 2 week approach

So, what are we comparing your settings against?

We assess your tenant against **The blueprint**, the standard written (by oobe) on behalf of the Australian Government for all economy to ensure secure collaboration and maximise ROI on Microsoft 365.

Optional

Uplift

Our experienced team can elevate key areas based on the assessment findings, boosting and optimising your Microsoft 365 tenant.
